**EMMAUS ROAD PRAYER**

Meet us, Lord, on the road to Emmaus, guide us on the path toward our destination, and renew our strength as we continue to walk and commune with you.

Open our eyes, so we see the signs of your presence around us.

Open our hearts, so we may receive your peace and love; and empower us to pass on to others.

We ask this through Jesus Christ, our Lord.

Amen

If you have requested a Mass to be celebrated you have the right to present the bread and wine that will become the Body and Blood of Christ during that particular celebration of Mass. If you would like to fulfill this responsibility, please inform one of the Ministers of Hospitality (Ushers) before Mass. If you don’t inform the Ministers of Hospitality, they will ask another person to fulfill that responsibility. Thank you for helping the Ministers of Hospitality in this matter.

Ambassadors for Christ

Just as important as our financial goal of $7 million is our non-monetary goal of 100% participation. The Appeal is more than just a request for financial contributions; it is an invitation to witness to our faith and to share concretely in the mission of the Church throughout Middlesex, Somerset, Hunterdon and Warren counties.

“Did not our hearts burn within us while He talked to us on the road, while He opened to us the scriptures?”

Luke 24:32

How often do we take the time to discern what Jesus wants from us? Are our prayers always petitions, asking Jesus to do things for us? If so, that’s a one-sided relationship. Living our faith means developing a personal relationship with Jesus. Just like any friendship, there is give and take, each side listening to each other and helping each other out. Take time in silence to listen to what Jesus is asking of you.

OPPOSE NJ ASSISTED SUICIDE BILL S2474

The NJ “Aid in Dying for the Terminally Ill” Act was released from the Senate Health, Human Services, and Senior Citizen’s committee on November 3rd, 2016 and could be posted for a vote in the full Senate at any time. An identical bill, A2451, passed the General assembly on October 20th, 2016. The bill would allow for physicians to prescribe drugs to end the lives of individuals considered to be terminally ill.

This assisted suicide bill is a direct threat to anyone viewed as a cost liability to an insurance company. In an era of cost control and managed care, patients with lingering illnesses may be branded as an economic liability, and decisions to encourage death could be driven by cost.

The facts are clear—in California, in Vermont and in Oregon—states that have passed assisted suicide bills—insurance companies have denied individuals healthcare coverage but offered them low cost drugs to end their life. Please contact your state legislators and tell them that you oppose A2451/2 S2474. You may send a prewriten note by visiting: http://njcatholic.org/faith-in-action.
