• God so loved the world that he gave his only Son, so that everyone who believes in him might not perish but might have eternal life. For God did not send his Son into the world to condemn the world, but that the world might be saved through him. *Jn 3:16-17*

This past week, the deacons of our parish celebrated their anniversary of ordination. This week’s prayer is for those who serve as deacons.

Father,

You have taught the ministers of your church not to desire that they be served but to serve their brothers and sisters.

May they continue to be effective in their work and persevering in their prayer, performing their ministry with gentleness and concern for others.

We especially pray for our Deacons as they celebrate the anniversary of their Ordination to the Diaconate.

Michael Brucato…10th Anniversary…June 9, 2007
Kenneth “Joey” Perlas…5th Anniversary…June 9, 2012
Peter Barcellona…2nd Anniversary…June 6, 2015

We ask this through Christ our Lord.

Amen

“For God so loved the world that He gave His only Son…”

John 3:16

Is your love conditional? Is there a price others have to pay to receive your love? Are you generous with your time, money and possessions? If you give someone something, do you expect something in return? Do you give your time freely or do you “fit it in” when it’s convenient for you? Pray for a grateful and generous heart.
The NJ “Aid in Dying for the Terminally Ill” Act was released from the Senate Health, Human Services, and Senior Citizen’s committee on November 3rd, 2016 and could be posted for a vote in the full Senate at any time. An identical bill, A2451, passed the General assembly on October 20th, 2016. The bill would allow for physicians to prescribe drugs to end the lives of individuals considered to be terminally ill. This assisted suicide bill is a direct threat to anyone viewed as a cost liability to an insurance company. In an era of cost control and managed care, patients with lingering illnesses may be branded as an economic liability, and decisions to encourage death could be driven by cost.

The facts are clear—in California, in Vermont and in Oregon—states that have passed assisted suicide bills—insurance companies have denied individuals healthcare coverage but offered them low cost drugs to end their life. Please contact your state legislators and tell them that you oppose A2451/$2474. You may send a prewritten note by visiting: http://njcatholic.org/faith-in-action.
