Heavenly Father,
on this Father’s Day we thank You for the gift of fathers.

Allow us to acknowledge the wonderful things that our fathers have shared with us, the lessons they have taught us, the support and encouragement that they have given and most importantly their love for us.

We thank you for giving them the responsibility of providing such a strong foundation to their children.

Grace them always for the blessed role that they have in our lives.
Continue to give them the patience, strength and wisdom that they share with us.

Bless too, all those fathers who have Gone to their heavenly rest. May they enjoy the peace that only You can give.

Amen

OPPOSE NJ ASSISTED SUICIDE BILL  S2474

The NJ “Aid in Dying for the Terminally Ill” Act was released from the Senate Health, Human Services, and Senior Citizen’s committee on November 3rd, 2016 and could be posted for a vote in the full Senate at any time. An identical bill, A2451, passed the General assembly on October 20th, 2016. The bill would allow for physicians to prescribe drugs to end the lives of individuals considered to be terminally ill. This assisted suicide bill is a direct threat to anyone viewed as a cost liability to an insurance company. In an era of cost control and managed care, patients with lingering illnesses may be branded as an economic liability, and decisions to encourage death could be driven by cost.

The facts are clear—in California, in Vermont and in Oregon—states that have passed assisted suicide bills—insurance companies have denied individuals healthcare coverage but offered them low cost drugs to end their life. Please contact your state legislators and tell them that you oppose A2451/S2474. You may send a prewritten note by visiting: http://njcatholic.org/faith-in-action.
