### Fatima Prayer to the Most Holy Trinity

Most Holy Trinity, Father, Son and Holy Spirit, I adore Thee profoundly. I offer Thee the most precious Body, Blood, Soul and Divinity of Jesus Christ, Present in all the tabernacles of the world, in reparation for the indifferences whereby He is offended.

And through the infinite merits of His Most Sacred Heart and the Immaculate Heart of Mary, I beg you the conversion of sinners.

Amen

while honoring God’s Presence in every person.

If you have requested a Mass to be celebrated you have the right to present the bread and wine that will become the  
Body and Blood of Christ during that particular celebration of Mass.  
If you would like to fulfill this responsibility, please inform one of the Ministers of Hospitality (Ushers) before Mass.  
If you don’t inform the Ministers of Hospitality, they will ask another person to fulfill that responsibility.  
Thank you for helping the Ministers of Hospitality in this matter.

“The Spirit itself bears witness with our spirit that we are children of God, and if children then heirs, heirs of God and joint heirs with Christ…” — Romans 8:16-17

If we are heirs to the kingdom of God, shouldn’t we work to build up His kingdom? Shouldn’t we be good stewards of our inheritance, using our time in prayer, our talent in charitable works and our treasure to care for the Church that God has left to us? Our Church is a treasured heirloom from God. Do we treat it that way?

Please Support A3452/S2026, the NJ Pain Capable Unborn Child Protection Act

There is substantial medical evidence that babies in the womb feel pain at a very early stage of gestation. Thanks to advances in medicine, babies as young as 20 weeks post-fertilization can survive and thrive with appropriate care and treatment. Experts in the field of Maternal-Fetal medicine routinely administer pain medication as standard medical practice when performing fetal surgery because they recognize these babies as patients.

The NJ Pain Capable Unborn Child Protection Act (A3452/S2026) will protect babies in the womb at 20 weeks and older who are capable of feeling pain and ensure that babies born alive during an abortion will be given the same proper lifesaving medical care given to premature infants.

We are happy to report that A3452/S2026, the NJ Pain Capable Unborn Child Protection Act has been introduced in the NJ Legislature. We thank the sponsors of this bill for wanting to protect babies in the womb and the lives of women. This bill is modeled after H.R. 36, the Federal bill by the same name. Passing this legislation is part of the 2020 Project, a collaborative effort by pro-life groups in NJ to protect babies in the womb who are capable of feeling pain at 20 weeks gestation.

Take Action Now!

◊ Pray for the protection of babies in the womb and their families.
◊ Contact your NJ State Senator and Assembly Members and ask them to support A3452/S2026, the “Pain Capable Unborn Child Protection Act.”

To find your NJ State Senator and two Stat Representatives by district/town, visit: http://www.njleg.state.nj.us/districts/municipalities.asp. For information on this initiative or to obtain a car magnet or sticker, please visit www.babiesinthewombfeelpain.com.

LEGISLATIVE ACTION ALERT!

URGENT!

Take action to Oppose Assisted Suicide Bill—Update

New Jersey Senate bill S2474, the Aid in Dying for the Terminally Ill Act, may be voted on in the next few weeks. An identical bill, A2451, passed the General Assembly on October 20th. If passed, this bill would allow physicians to prescribe drugs to end the lives of terminally ill patients who have been diagnosed with six months or less to live.

Doctor-assisted suicide is a direct threat to anyone viewed as a cost liability to an insurance company. In an era of cost containment and managed care, patients with lingering illnesses may be branded as an economic liability, and decisions to encourage death could be driven by cost.

The facts are clear - in California, Vermont and Oregon - states that have passed assisted suicide bills - insurance companies have denied individuals healthcare coverage but offered them low cost drugs to end their life. One such example is Stephanie Packer, a young mother of four from California. Stephanie was recently denied insurance coverage for her new chemotherapy treatment but suicide drugs were approved by her insurance with a nominal co-pay of $1.20.

Other reasons to oppose assisted suicide legislation include:

◊ A six-month prognosis for a terminal illness is not always accurate. Often, with treatment, patients survive well beyond their prognosis.

◊ S2474 would allow the death certificate to list the cause of death as the underlying terminal disease - not assisted suicide. The cause of death should be listed as self-administered drugs that ended life. Why not tell the truth?

◊ Legalized assisted suicide would send the wrong message to vulnerable groups such as our troubled youth and to our veterans suffering from post-traumatic stress disorder. Studies have shown that in states where assisted suicide has been legalized, overall suicide rates increase.

◊ There is no requirement for a physician to be present when the patient takes the lethal prescription. In fact there is no supervision of the drugs once they leave the pharmacy. Our society should embrace what Pope John Paul II called “the way of love and true mercy” —a readiness to surround patients with love, support, and companionship, providing the assistance needed to ease their physical, emotional, and spiritual suffering. Our duty is to assist those who are dying—not kill them. Please contact your state Senators today and urge them to oppose S2474 by visiting: http://njcatholic.org/faith-in-action. Also, contact Governor Christie (609-292-6000) and ask him to veto the bill if it reaches his desk.

Action Alert to Support DREAM Act of 2017

The Dream Act of 2017 (S. 1615 / H.R. 3440) was recently introduced in Congress as a bipartisan effort. The bills are intended to protect immigrant youth who entered the United States as children and know America as their only home. The bills offer qualifying immigrant youth “conditional permanent resident status” and a path to full lawful permanent residency and eventual citizenship. These bills would protect numerous youth, including the over 780,000 individual who received temporary relief from deportation and employment eligibility through the Department of Homeland Security’s Deferred action for Childhood Arrivals (DACA) program.

The young people S. 1615 / H.R. 3400 seeks to protect are contributors to our economy, veterans of our military, academic standouts in our universities, and leaders in our parishes and communities. As Catholics, we have long supported DREAMers as we believe in protecting the dignity of every human being, especially that of our children.
