Foster a Child! Become a Treatment Home Parent with Catholic Charities Diocese Of Metuchen.

Treatment Parents are volunteers who provide consistent, flexible, and loving parenting to school age children in foster care who have histories of abuse and/or neglect. They work with Catholic Charities staff to become licensed by the State and receive ongoing training in areas such as behavior management, suicidal ideation, and drug/alcohol abuse. Treatment Parents are members of a professional team who work closely with their Catholic Charities Clinician to learn new behavior management techniques and therapeutic parenting skills. They provide a safe treatment home environment where they foster children by helping them heal from their past trauma. To become a Treatment Parent, applicants complete a screening process that includes fingerprinting, local police checks, interviews, home visits and reference checks. The TFH Program also arranges for pre-service education (PRIDE training) and ongoing training of all parents in the program.

If you are interested in becoming a Treatment parent and fostering a child, call 1-866-247-HOME if you are interested in fostering a child through this specialized program.) Thank you!
